

Measurement of What Really Matters

© Paul T. P. Wong, 2013

1. What would you do if you only had three more months to live?
2. If you could take only one thing to a faraway place, what would that be?
3. If you had all the money you ever needed, how would you spend your time?
4. At the end of your life, what would be your greatest regret for failing to do what you have always wanted?
5. If God would grant you only one wish, what would that be, and why?
6. What would you like to have written on your tombstone?
